Keeping the Promise

22 November 2018

Dear Ms. Roberts:

Blessings and season's greetings! All of us at the Chicago Heights Vet Center sincerely appreciate the kindness you have shown our military and veteran families with over the years. On behalf of the Department of Veterans Affairs, Readjustment Counseling Service (RCS), and the Chicago Heights Vet Center (CHVC), I would like to express my heartfelt gratitude once again for hosting annual cookout for our clients on 25 May 2018, and the Weekend Women Warriors' Retreat for the Cathey Williams Buffalo Soldier Combat Women's Group, 19 October 2018. The donation of your and your staff's time, the guest house, the horse experience, and the delicious food helped was all wonderful. We appreciate the kindness that Heroes of Freedom Farm continues to show our Vet Center families. Thank you for choosing CHVC to express your willingness to help others.

Each year RCS continues to advance its mission of "Keeping the Promise" made to the American Veteran and military member. Through our RCS programs we have seen many lives changed for the better. With the help from supporters such as you, we will continue to see improvements in our Vet Center "Keeping the Promise".

Thank you again for your generous support of our efforts to serve those who served America and the World. We cannot do what we do without you.

Sincerely:
